

NIT NO. AMD/CD/SR/CORE/2018-19/T-(158-159)

DATE: 27.04.2019

BRIEF TENDER NOTICE

The Director, (AMD), Begumpet, Hyderabad invites for and on behalf of the President of India, sealed tenders in two parts (TECHNICAL and COMMERCIAL) from eligible Core Drilling contractors, for the following Drilling works in Andhra Pradesh.

Item No.	TENDER NO. & SCOPE OF WORK	Estimated job Value (In Lakhs INR)	Earnest Money (In INR)	Last Date of Submission	Date and Time of Opening of Part I	Period of completion in Months
1	<u>AMD/CD/SR/KNMP/CORE/2018-19/T-158</u> 10,000m core drilling in Kanampalle Block, Kadapa District, Andhra Pradesh with borehole depth varying from 800 to 1000 metre.	327.00	6,54,000/-	22.05.2019 Up to 1300 hrs	22.05.2019 at 15.00 hrs	12 (TWELVE)
2	<u>AMD/CD/SR/TMP-II/CORE/2018-19/T-159</u> 10,000m core drilling in Tummalapalle Block-II, Kadapa District, Andhra Pradesh with borehole depth varying from 925 to 1050 metre.	333.00	6,66,000/-	22.05.2019 Up to 1300 hrs	22.05.2019 at 15.30 hrs	12 (TWELVE)

- 1) Sale of Tenders : 02.05.2019 to 16.05.2019 on working days only upto 1600 hrs.
- 2) Dates for Site visit : 02.05.2019 to 16.05.2019 (Please note that site visit is mandatory)

Cost of Tender documents: Rs.1500/- for both the works i.e. Tender No. T-158 and T-159 (Postal charges Rs. 100/- extra for each item of work separately). Cost of tender document is non-refundable. For further details and eligibility criteria, please refer to the Notice Inviting Tender and **“Important specifications, information and eligibility conditions”** and **“General guidelines for the tenderers”** available in AMD’s website <https://www.amd.gov.in>. Tender Documents will also be available for downloading from the website from 02.05.2019 to 16.05.2019. For any clarification please contact on 040-27776342/27776387.

NIT NO. AMD/CD/SR/CORE/2018-19/T-(158-159)

DATE: 27.04.2019

NOTICE INVITING TENDER

The Director, (AMD), Begumpet, Hyderabad invites for and on behalf of the President of India, sealed tenders in two parts (TECHNICAL and COMMERCIAL) from eligible Core Drilling contractors, for the following Drilling works in Andhra Pradesh.

Item No.	TENDER NO. & SCOPE OF WORK	Estimated job Value (In Lakhs INR)	Earnest Money (In INR)	Last Date of Submission	Date and Time of Opening of Part I	Period of completion in Months
1	<u>AMD/CD/SR/KNMP/CORE/2018-19/T-158</u> 10,000m core drilling in Kanampalle Block, Kadapa District, Andhra Pradesh with borehole depth varying from 800 to 1000 metre.	327.00	6,54,000/-	22.05.2019 Up to 1300 hrs	22.05.2019 at 15.00 hrs	12 (TWELVE)
2	<u>AMD/CD/SR/TMP-II/CORE/2018-19/T-159</u> 10,000m core drilling in Tummalapalle Block-II, Kadapa District, Andhra Pradesh with borehole depth varying from 925 to 1050 metre.	333.00	6,66,000/-	22.05.2019 Up to 1300 hrs	22.05.2019 at 15.30 hrs	12 (TWELVE)

Eligibility criteria (Proof should be submitted for all)	
I)	Availability of minimum number of machinery of required capacity:
i)	For work-1 i.e. T-158: 3 Surface Core drilling rigs capable to drill 1000 metre or more in 'B' size.
ii)	For work-2 i.e. T-159: 3 Surface Core drilling rigs capable to drill 1050 metre or more in 'B' size.
II)	Experience details :
i)	Experience in core drilling for mineral exploration work during last seven years.
ii)	Experience of drilling boreholes of the depth of 800m or more by core drilling method in minimum 'B' size during last Seven years (Applicable for work-1 i.e T-158)
iii)	Experience of drilling boreholes of the depth of 850m or more by core drilling method in minimum 'B' size during last Seven years (Applicable for work-2 i.e T-159)
III)	Experience of successfully completed works during the last seven (7) years :
	Three (3) similar completed works, each costing not less than 40% of estimated cost. OR
	Two (2) similar completed works, each costing not less than 60% of estimated cost. OR
	One similar completed work costing not less than 80% of estimated cost. Similar work means Core Drilling works for all the two works under this NIT.
IV)	Solvency Certificate of a Nationalized Bank/Scheduled Bank for minimum amount equal to 40% of estimated cost. The Solvency certificate should be in the format given in Annexure-V and should not be older than one year on last date of receipt of tender.
V)	Average annual financial turnover in the last three financial years should be at least 100% of estimated cost.
VI)	The bidder should not have incurred any loss in more than two years during last five years ending March 31st 2018. Last five consecutive balance sheets, duly certified and audited by the Chartered Accountant to be enclosed.

Availability of Tender Documents:

- a) Parties should fulfill the eligibility criteria for respective works mentioned in “Important specifications, information and eligibility conditions” available along with NIT in AMD’s website for issue of Tender Documents.
- b) Tender Document can be obtained in person or by post from the In-charge, Contract Drilling Group, AMD Complex, Begumpet, Hyderabad 500016, (Phone No: 040-27776342/27776387) on any working day from **02.05.2019 to 16.05.2019** submitting Documentary evidence in support of the eligibility criteria and tender document cost of Rs.1500/- for both the works i.e. Tender No. T-158 and Tender No. T-159 (Postal charges Rs. 100/- extra for each item of work separately). Cost of tender document is payable by non- refundable crossed demand draft, drawn on any nationalized/scheduled bank in favour of the Pay & Accounts Officer, AMD/DAE payable at SECUNDERABAD/HYDERABAD. Cheques/Bank Guarantees/Postal Orders will not be accepted. For downloaded tenders, Cost of tender document and documentary proof in support of eligibility criteria should be submitted along with the Technical Bid.
- c) The tenderers are advised to see the **“Important specifications, information and eligibility conditions”** and **“General guidelines for the tenderers”** available along with NIT in AMD’s website <https://www.amd.gov.in>. The Tender Documents will also be available for downloading from the website from **02.05.2019 to 16.05.2019**. For any clarification please contact on 040-27776342/27776387.

**IMPORTANT SPECIFICATIONS, INFORMATION
AND ELIGIBILITY CONDITIONS**

Tender No. AMD/CD/SR/KNMP/CORE/2018-19/T-158

1	Scope of work: 10,000m core drilling in Kanampalle Block, Kadapa District, Andhra Pradesh with borehole depth varying from 800 to 1000 metre.
2	Type of Drilling: Core Drilling.
3	Size of the boreholes: Combination of P/H/N/B size (122.60mm/96.00mm/75.70mm/60.00mm bore hole diameter approximately).
4	Depth of the boreholes: In the range of 800 to 1000 metre. The above depth range is approximate only. Depending on the requirement and site conditions, marginal variation may occur.
5	Inclination of the borehole: Vertical Bore Holes.
6	Deviation limits for borehole Angle: a) Deviation in borehole Angle of maximum 2° for each 100 metre depth will be allowed in each borehole. Therefore, the contractors are advised to take all precautions to drill the boreholes within these limits. b) Periodical deviation test will be arranged by the Resident Geologist.
7	Rock Formations to be drilled: Cherty dolostone, Massive dolostone, Shale, Conglomerate and Uraniferous dolostone.
8	Number of Rigs to be deployed : 3 Surface Core drilling rig of capacity to drill 1000 metre or more in 'B' size. Bidders should ensure the availability of rigs of required capacity as mentioned above to be eligible for consideration. Details of rigs available with the party for the proposed work should be furnished in the table as per Annexure-I of Technical Bid along with legitimate documentary proof of possession such as purchase/hire/lease etc. clearly indicating the make, model, capacity and year of purchase etc.
9	Location of Drilling area: The proposed area is (14°21'34"N : 14°22'31"N, 78°12'35"E: 78°14'12"E) is located in Kadapa District of Andhra Pradesh and lies in Survey of India toposheet No 57J/3. Approach for the proposed area: Pulivendula is the nearest town located at a distance of 12 km from the proposed area. This town is linked by state highway with all major cities, viz. Bangalore (225 km), Hyderabad (400km), Kadapa (70km) and Tirupati (250km). Nearest rail stations are Muddanur (40 km) on Hyderabad-Tirupati broad gauge line, Cuddapah(70km) on Madras-Bombay broad gauge and Kadiri (40km) on Tirupati-Hyderabad meter gauge line. Government and private land is available for Camping site at nearby villages.
10	Site Conditions: The proposed area is rugged and undulated in nature. The area is sparsely vegetated with thorny bushes. The area falls under private cultivated land and some part is under government land. The track making for shifting the drilling machines and movement of vehicles is required in most of the proposed Borehole points. However, approaching a drill site through cultivable land may require negotiations with one or more farmers. As borehole sites fall in private cultivated lands, the contractor shall have to negotiate with the concerned land owners to obtain their permission and compensation for the use of their land for drilling, shifting for track making etc as the case may be. The area is having arid climate with normal monsoon from June to September. The average rainfall during June to September is 60 cm. There is no perennial water source and water for drilling will have to be arranged from private tube wells. Basic amenities like, Bank, Hospital, petrol Pump, marketing is available at Pulivendula.

	<p>Note (A) : Where ever the proposed boreholes fall in private land, compensation for the same shall be required to be paid to the concerned land owners. The compensation to the land owners for the drill site and making of approach road/track should be directly negotiated by the contractor. All such payments shall be borne by the contractor only.</p> <p>Note-(B): For the bore holes falling in the Reserved/protected forest area, the contractor shall have to abide by the restrictions imposed by the Forest department.</p>
11	<p>Site Visit: Site visit is mandatory: Before submitting the bids, the contractors should visit the area to understand the topography and to ascertain the logistic supports and facilities available or to be generated for carrying out drilling operations. Bids of the contractors, who have not visited the site, will be rejected outright and no correspondence will be entertained. The bidders should obtain a certificate from the representative of the Regional Director, Southern Region, AMD, Bengaluru and enclose it along with the technical bid.</p> <p>Dates for site visit: A representative of the department will be available at the areas from 02.05.2019. to 16.05.2019. Bidders are advised to plan the site visit preferably on these dates.</p> <p>Contact Person(s): The bidders may contact the following officer(s) of AMD for any clarifications and for visiting the areas.</p> <p>1. M G Murugan, SO-F, Mo. No. +91 9480518920 or 2. Junaid Ahmad, SO-D, Mo. No. +91 8121101548</p> <p>Bidders can also contact the Regional Director, Southern Region, AMD/DAE, Nagarabhavi, Bengaluru-560072, (Phone no. 080-23210246, Fax 080-23211511, Email : rdsr.amd@gov.in) for any clarifications and for visiting the areas.</p>
12	<p>Eligibility criteria (Proof should be submitted for all)</p> <p>I. Availability of minimum Core Drillings rigs of required capacity: 3 Surface Core drilling rig of capacity to drill 1000 metre or more in 'B' size.</p> <p>II. Experience in core drilling for mineral exploration work during last seven years.</p> <p>III. Experience of drilling coring boreholes of the depth of 800 metre or more in minimum 'B' size during last seven years.</p> <p>IV. Experience of successfully completed works during the last seven (7) years : (a) Three similar completed works costing not less than 40% of estimated cost i.e. Rs. 130.80 Lakh (or) (b) Two similar completed works costing not less than 60% of estimated cost i.e. Rs. 196.20 Lakh (or) (c) One similar completed work costing not less than 80% of estimated cost i.e. Rs. 261.60 Lakh. Similar works means Core Drilling works only.</p> <p>The value of executed works shall be brought to the current costing level by enhancing the actual value of work at simple rate of 7 % per annum, calculated from the date of completion to date of opening of tender</p> <p>V. Annexure -VI should be filled by the firms claiming exemption under MSE provisions, in the Company Letter Head.</p> <p>VI. Solvency Certificate of a Nationalized Bank/Scheduled Bank for minimum amount equal to 40% of estimated cost i.e. Rs. 130.80 Lakh. The Solvency certificate should be in the format given in Annexure – V and should not be older than one year on last date of receipt of tender.</p> <p>VII. Average annual financial turnover in the last three financial years ending 31st March, Should be at least 100% of estimated cost i.e. Rs.327.00 Lakh.</p> <p>VIII. Last five consecutive balance sheets duly certified and audited by the Chartered Accountant.</p>

**IMPORTANT SPECIFICATIONS, INFORMATION
AND ELIGIBILITY CONDITIONS**

TENDER No. AMD/CD/SR/TMP-II/CORE/2018-19/T-159

1	Scope of work : 10,000m core drilling in Tummalapalle Block-II, Kadapa District, Andhra Pradesh with borehole depth varying from 925 to 1050 metre.
2	Type of Drilling: Core Drilling.
3	Size of the boreholes: Combination of P/H/N/B size (122.60mm/96.00mm/75.70mm/60.00 mm bore hole diameter approximately).
4	Depth of the boreholes: In the range of 925 to 1050 metre. The above depth range is approximate only. Depending on the requirement and site conditions, marginal variation may occur.
5	Inclination of the borehole: Vertical Bore holes
6	Deviation limits for borehole Angle: a) Deviation in borehole Angle of maximum 2° for each 100 metre depth will be allowed in each borehole. Therefore, the contractors are advised to take all precautions to drill the boreholes within these limits. b) Periodical deviation test will be arranged by the Resident Geologist.
7	Rock Formations to be drilled: Cherty dolostone, Massive dolostone, Shale, Conglomerate and Uraniferous dolostone.
8	Number of Rigs to be deployed : 3 Surface Core drilling rig of capacity to drill 850 metre or more in 'B' size. Bidders should ensure the availability of rigs of required capacity as mentioned above to be eligible for consideration. Details of rigs available with the party for the proposed work should be furnished in the table as per Annexure-I of Technical Bid along with legitimate documentary proof of possession such as purchase/hire/lease etc. clearly indicating the make, model, capacity and year of purchase etc.
9	Location of Drilling area: : Location of Drilling area: Proposed drilling area at Tummalapalle Block-II (14°21'52" N; 14°19'50"N: 78°13'37"E;78° 15' 57"E) is located in Kadapa District of Andhra Pradesh and fall in toposheet No. 57 J/3 & 7. Approach for the proposed area: Pulivendala is the nearest town at a distance of 12 Km from the proposed area. This town is linked by road (State Highway) with all major cities such as Hyderabad (400 Kms.), Bangalore (220 kms), Kadapa (70 Kms) and Tirupati (250 Kms). Nearest Rail heads are Muddanur (40Kms on Hyderabad- Tirupati broad gauge), Kadapa (70 Km on Chennai-Mumbai broad gauge) and Kadiri (40 Km on Tirupati – Hyderabad meter gauge line)
10	Site Conditions: Therefore approach tracks for shifting of rig and accessories will have to be prepared from nearest jeepable track or from borehole to borehole through the private land. Climatic condition in the area is generally arid with normal monsoon. The average rainfall during June to September is 60 cm. There is no perennial water source in the proposed area. However, water for drilling can be arranged from private tube wells. Note (A) : Where ever the proposed boreholes fall in private land, compensation for the same shall be required to be paid to the concerned land owners. The compensation to the land owners for the drill site and making of approach road/track should be directly negotiated by the contractor. All such payments shall be borne by the contractor only. Note-(B) : For the bore holes falling in the Reserved/protected forest area, the contractor shall have to abide by the restrictions imposed by the Forest department.

11	<p>Site Visit: Site visit is mandatory: Before submitting the bids, the contractors should visit the area to understand the topography and to ascertain the logistic supports and facilities available or to be generated for carrying out drilling operations. Bids of the contractors, who have not visited the site, will be rejected outright and no correspondence will be entertained. The bidders should obtain a certificate from the representative of the Regional Director, Southern Region, AMD, Bengaluru and enclose it along with the technical bid.</p> <p>Dates for site visit: A representative of the department will be available at the areas from 02.05.2019 to 16.05.2019. Bidders are advised to plan the site visit preferably on these dates.</p> <p>Contact Person(s): The bidders may contact the following officer(s) of AMD for any clarifications and for visiting the areas.</p> <p>1. M G Murugan, SO-F, Mo. No. +91 9480518920</p> <p>or</p> <p>2. Junaid Ahmad, SO-D, Mo. No. +91 8121101548</p> <p>Bidders can also contact the Regional Director, Southern Region, AMD/DAE, Nagarabhavi, Bengaluru-560072, (Phone no. 080-23210246, Fax 080-23211511, Email : rdsr.amd@gov.in) for any clarifications and for visiting the areas.</p>
12	<p>Eligibility criteria (Proof should be submitted for all)</p> <p>I. Availability of minimum Core Drillings rigs of required capacity: 3 Surface Core drilling rigs of the capacity to drill 1050 metre or more in 'B' size.</p> <p>II. Experience in core drilling for mineral exploration work during last seven years.</p> <p>III. Experience of drilling coring boreholes of the depth of 850 metre or more in minimum 'B' size during last seven years.</p> <p>IV. Experience of successfully completed works during the last seven (7) years :</p> <p>(a) Three similar completed works costing not less than 40% of estimated cost i.e. Rs. 133.20 Lakh (or)</p> <p>(b) Two similar completed works costing not less than 60% of estimated cost i.e. Rs.199.80 Lakh (or)</p> <p>(c) One similar completed work costing not less than 80% of estimated cost i.e. Rs. 266.40 Lakh.</p> <p>Similar works means Core Drilling works only.</p> <p>The value of executed works shall be brought to the current costing level by enhancing the actual value of work at simple rate of 7 % per annum, calculated from the date of completion to date of opening of tender</p> <p>V. Annexure -VI should be filled by the firms claiming exemption under MSE provisions, in the Company Letter Head.</p> <p>VI. Solvency Certificate of a Nationalized Bank/Scheduled Bank for minimum amount equal to 40% of estimated cost i.e. Rs. 133.20 Lakh. The Solvency certificate should be in the format given in Annexure – V and should not be older than one year on last date of receipt of tender.</p> <p>VII. Average annual financial turnover in the last three financial years ending 31st March, Should be at least 100% of estimated cost i.e. Rs.333.00 Lakh.</p> <p>VIII. Last five consecutive balance sheets duly certified and audited by the Chartered Accountant.</p>

GENERAL GUIDELINES FOR THE TENDERERS

1	<p>Issue of Tender Documents: Only those applicants submitting documentary evidence in support of the eligibility criteria will be issued tender documents. In case of tender documents downloaded from website, documentary evidence in support of eligibility criteria and cost of tender documents should be submitted along with the tender, failing which the tender is liable to be rejected. However, issue of tender documents will not automatically mean that the tenderers are considered qualified. Notwithstanding anything stated above, the Director, AMD reserves the right to relax or enhance the qualifications, if so, required.</p> <p>The bidders should submit the following information along with their Technical bid.</p> <ol style="list-style-type: none"> I. Site visit Certificate (s). II. Details of core drilling rigs possessed by/available with the firm as per the table in Annexure-I of the Technical Bid. III. Experience details for the last 7 years in the format given in Annexure-II of the respective Technical Bids. Copies of (i) Work order (ii) Satisfactory completion certificate indicating number of rigs deployed, scheduled date of start and completion and actual date of completion and gross value of job completed issued by the client for whom the work was carried out should be attached. <p>The value of executed works shall be brought to the current costing level by enhancing the actual value of work at simple rate of 7 % per annum, calculated from the date of completion to date of opening of tenders.</p> <ol style="list-style-type: none"> IV. Details of experience of drilling boreholes of 800m or more for work-1 i.e. T-158 and 850m or more for work-2 i.e. T-159 by core drilling method in minimum 'B' size during last 7 years as per Annexure-III. V. An undertaking as per the format given in Annexure-IV VI. Copy of Solvency Certificate of a Nationalized Bank/Scheduled Bank for minimum amount equal to 40% of estimated cost (Solvency certificate should be as per the format given in Annexure-V and should not be older than one year on last date of receipt of tender). VII. Annexure -VI should be filled by the firms claiming exemption under MSE provisions in the Company Letter Head. VIII. Certificate (s) in support of annual financial turnover for the last three financial years. IX. Last five consecutive balance sheets duly certified and audited by the Chartered Accountant. X. Copy of GST Registration Certificate.
2	<p>Cost of Tender Document: Cost of Tender Document is Rs. 1500/- for both the works i.e. T-158 and T-159 (Postal charges Rs.100/-extra) for each item of work separately. The cost of Tender Documents shall be payable by crossed demand draft (non-refundable), drawn on any nationalized/scheduled bank in favour of the Pay & Accounts Officer, AMD/DAE payable at SECUNDERABAD. Cheques/Bank Guarantees and Postal Orders will not be accepted. Cost of Tender Document is to be submitted in a separate envelope along with Part-I of the tender in case of downloaded Tender Documents.</p>
3	<p>Joint Venture: Two or more companies/contractors may enter into a joint partnership and the lead contractor may submit the bid(s). Joint venture agreement duly notarized should be submitted along with the bid. However, the lead partner alone should possess the solvency and average annual turnover required to meet the eligibility criteria as stipulated in NIT. The solvency and average annual turnover of other partners will not be considered for evaluating the bid. Further, the party or parties participating in this tender as a Joint Venture Partners, shall not be allowed to participate in the same tender as a separate bidder or as the partner of another Joint Venture.</p>
4	<p>MSE (Micro & Small Enterprises): The provisions made under "Public Procurement Policy of Micro & Small Enterprises (MSEs) order 2012" issued vide Gazette notification dated 20-03-2012 by Ministry of Micro, Small and Medium Enterprises of Government of India and also under the " Manual for Procurement of Consultancy and other services, 2017 , Ministry of Finance" shall be applicable for this Tender. Annexure-VI should be filled by the firms claiming exemption under MSE provisions in the Company Letter Head.</p>

5	<p>Combined eligibility for similar works: As both the works are of similar nature i.e. core drilling, if a party quotes for more than one work of similar nature, the second and subsequent bid of the same party will be considered only, if they fulfill the combined eligibility criteria in respect of availability of rigs, solvency, annual turnover, work experience etc., for all the works quoted. In such case the combined bid capacity will be evaluated and considered as follows taking into account the total credentials required for all the works during techno commercial evaluation.</p> <p>Total credentials required for combined bidding for more than one work are detailed below</p> <table border="1" data-bbox="252 421 1541 734"> <thead> <tr> <th rowspan="2">SL.NO.</th> <th rowspan="2">ITEM/COMBINATION OF WORKS</th> <th rowspan="2">ESTIMATED/ COMBINED COST (Rs. IN LAKH)</th> <th rowspan="2">NO. OF RIGS* REQUIRED</th> <th colspan="3">REQUIRED VALUE OF WORK CARRIED OUT (Rs. IN LAKH)</th> <th rowspan="2">SOLVENCY (Rs. (a)	EMD should be deposited in the form of crossed Demand Draft, drawn on any nationalized/scheduled bank in favor of The Pay & Accounts Officer, AMD/DAE payable at SECUNDERABAD.																																																							
(b)	Cheque, Bank Guarantees and Postal Orders will not be accepted towards EMD.																																																							
(c)	EMD should be enclosed in a separate envelop along with Part – I (Technical bid).																																																							
(d)	The tenders without Earnest Money Deposit in the prescribed manner are liable to be rejected.																																																							
(e)	The successful Tenderer, hereafter referred to as the Contractor, shall deposit an amount equal to 5% (five percent) of the bid amount as performance guarantee within the period specified in the Letter of Intent. The Earnest Money deposited with the bid shall be returned after receiving the aforesaid performance guarantee and confirmation from bank.																																																							
7	General Instructions for Submission of Tender: Bids should be submitted in sealed covers in the following manner.																																																							
(a)	The tenders shall be in two parts viz. Part-I (i.e. Technical bid) and Part-II (i.e. Commercial bid). Part-I shall contain the documents in support of Cost of Tender Document (in case of downloaded tenders), EMD, the details of technical qualifications, competence of the tenderer supported by certificates as required vide eligibility criteria for issue of tender documents specified in the NIT.																																																							

	(b)	The part – II shall be the commercial bid containing the schedule of quantities issued along with tender documents, duly filled in by the tenderer along with commercial terms if any.
	(c)	Part–I and Part–II bids shall be in separate sealed covers, duly super scribing on the covers with the details of bid i.e. “NIT No., Tender no, Name of the work, Part–I/Part–II, Name of the tenderer, due date of opening of the tender” etc. Both the sealed covers should be kept in a common sealed cover duly super scribing the details of the bid.
	(d)	No bid shall be considered unless accompanied by the Earnest Money and non-refundable Tender Document cost (in case of downloaded Tender Documents) except for the firms claiming exemption under MSE provisions.
8		<p>Receipt of Bids: A Tender drop Box will be provided at the security gate of our office at AMD Complex, 1-10-153/156, Begumpet, Hyderabad-500 016 for depositing the tenders. The Tender drop box will be sealed at 1300 hrs on the last date of submission. Alternatively, tenders sent by post will be received by the In-charge, Contract Drilling Group on any working day up to 1600 hrs. and up to 1300 hrs on the last date of submission shown in NIT.</p> <p>Tenders sent by post should be addressed only to In-charge, Contract Drilling Group, AMD Complex, Begumpet, Hyderabad 500016, (Phone No: 040-2777342/27776387).</p>
9		<p>Opening of Bids: Part-I i.e. Technical bids of the tenders will be opened on the dates and time mentioned in NIT at AMD Complex, 1-10-153/156, Begumpet, Hyderabad-500 016. Commercial bids of only those tenderers found technically suitable by a Committee of experts constituted by AMD will be opened and evaluated for award of work. Date and time of opening of the commercial bid will be intimated later to the short-listed tenderers.</p>
10		Quoted rates should be written both in figures and words.
11		The quoted rate should be inclusive of GST (Goods & Services Tax). No re-imburement shall be made on account of GST (Goods and Services Tax).
12		All corrections should be authenticated / signed.
13		Tenders with any conditions, including conditional rebate(s) shall be rejected. However, tenders with unconditional rebate will be accepted.
14		In case two or more tenderers quote the same lowest amount worked out on the basis of quoted rates for individual items of the schedule of quantities, decision on the lowest bidder shall be decided as per the guidelines of ‘Central Public Works Department’ (CPWD), General Rules & Directions (4) (For item rate tenders – CPWD-8) or as modified from time to time.
15		<p>(a) Validity: Validity of the offer should be for a minimum of 180 days from the date of opening of part-I of the tender. In case validity period is not mentioned in the offer, the tender is deemed to be valid for 180 days from the date of opening of part-I of the tender.</p> <p>(b) If any tenderer withdraws his tender before the validity period or issue of Letter of Intent, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the Department, then the Department shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said Earnest Money Deposit (EMD) absolutely. Further, the tenderer shall not be allowed to participate in the re-tendering process of the work.</p>
16		In order to ensure the technical competence of the tenderer, inspection of rigs and verification of the original documents of the credentials of the tenderer may be carried out by a team of officers of AMD. Tenderers should give consent for physical inspection of rigs and verification of original documents and provide the details of locations of rigs and original documents of credentials when asked by AMD. Failure to do so shall be treated as withdrawal of tender and 50% of the EMD of such tenderers shall be forfeited to the Department as per clause 15 (b) above. Further, the tenderers shall not be allowed to participate in the re-tendering process of the work.

17	The Atomic Minerals Directorate for Exploration & Research (AMD) is not under any obligation to accept the lowest Bid/Bids and reserves the right to reject any or all the bids without assigning any reason what-so-ever and also to distribute the work and allot the work/works to more than one Bidder, at its sole discretion.
18	If the office happens to be closed on the date of submission/opening of the bid as specified, the bids will be submitted / opened on the next working day at the same time and venue.
19	The Atomic Minerals Directorate for Exploration & Research (AMD) would not be liable for any delay in submission of bid by a bidder on account of obstruction or delay by any outside element/agency and takes no responsibility for delay, loss or non-receipt of documents sent by post.
20	SPECIAL TERMS & CONDITIONS
	i) The compensation to the land owners for the drill site and making of approach road/track should be directly negotiated by the contractor. All such payments shall be borne by the contractor only.
	ii) The contractor shall have to abide by the restrictions imposed by the Forest department where the proposed drilling area falls under forest area.
	iii) The contractor should be adequately equipped with regard to all drilling inventory such as casing, rods, bits etc. of appropriate requirement.
21	Bidders should provide a valid Email address of the authorized representative of their firm. All correspondence made with the email address (received/sent) will be considered as valid official and authenticated correspondence and binding.
22	All the pages of tender document (Technical and Commercial bids) shall be signed with seal affixed.

CHECKLIST OF DOCUMENTS TO BE SUBMITTED

SL. NO.	DESCRIPTION	Tick whichever applicable	
		YES	NO
1.	Technical bid signed and seal affixed on all pages (The following documents from SI. No 2 to SI No. 18 as applicable should be enclosed with technical bid)		
2.	Site visit confirmation certificate		
3.	Annexure-I duly filled in and signed giving proof of ownership, Year of manufacture and capacity of Core Drilling rigs.		
4.	Annexure – II duly filled in and signed. Experience certificates/testimonials as mentioned above in “Important specifications, information and eligibility conditions” should be enclosed.		
5.	Annexure-III duly filled in and signed giving proof of drilling boreholes of the depth of 800m or more in minimum ‘B’ size for work-1 i.e. T-158 and 850 m or more in minimum ‘B’ size for work-2 i.e. T-159 during last seven years.		
6.	Annexure-IV duly filled in and signed		
7.	Minimum Solvency Certificate 40% of the estimated cost (Solvency certificate should be as per the format given in Annexure-V and should not be older than one year on last date of receipt of tender		
8.	Documentary evidence of registration under MSME (For firms claiming relaxation under MSE provisions)		
9.	Declaration & Undertaking by the firms claiming exemption under Micro & Small Enterprises(MSE) provisions should fill and sign Annexure-VI in the Company Letter Head.		
10.	List of supporting equipment and machinery owned.		
11.	List of technical staff.		
12.	List of boreholes drilled giving the depth, size and formations in each contract.		
13.	Average Annual turnover in last three years 100% of the estimated cost		
14.	Last five consecutive balance sheets duly certified and audited by the Chartered Accountant.		
15.	Demand Draft/Banker’s Cheque towards the cost of Tender document (In case the Tender document has been downloaded from web site)		
16.	Demand Draft/Banker’s Cheque towards EMD		
17.	Copy of Goods & Services Tax (GST) Registration Certificate		
18.	Authorization Certificate, if required		
19.	Commercial Bid to be enclosed in separate sealed cover
